

SWANSEACON 2016

12 SEPTEMBER – 13 SEPTEMBER 2016

LIBERTY STADIUM,
SWANSEA, UK

SPONSOR PACK

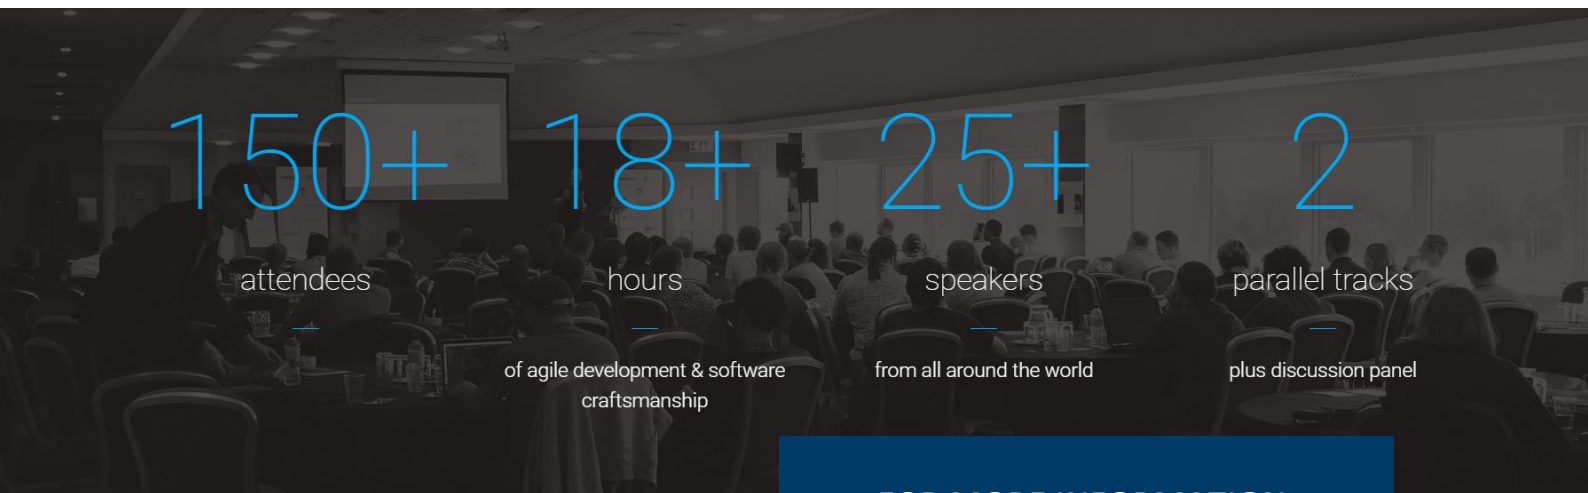

**WALES' PREMIER AGILE DEVELOPMENT
AND SOFTWARE CRAFTSMANSHIP
CONFERENCE**

ABOUT SWANSEACON

SwanseaCon is a 2-day conference for Software Developers, Software Architects, Project Managers, Analysts and Consultants in Wales. In its second year, SwanseaCon will continue to explore the latest agile and lean thinking in software craftsmanship, teams and business, over two days of engaging keynote speakers, demonstrations and workshops from leaders in their profession, in Wales and beyond.

It takes its name from the city in which it is held, Swansea. Wales' second largest city, it nestles neatly into Swansea Bay with its sweeping sandy shoreline, and is a stone's throw away from the spectacular coastlines of West Wales. The conference hopes to attract people from all parts of the globe to explore, evolve and find out what it means to be truly agile in business, from its culture to product development practices.

"Great work from the organizers in setting up SwanseaCon 2015 to run so smoothly"

- Rui Mourato (Delegate)

"It's amazing how many great speakers presented their latest talks about agile and craftsmanship"

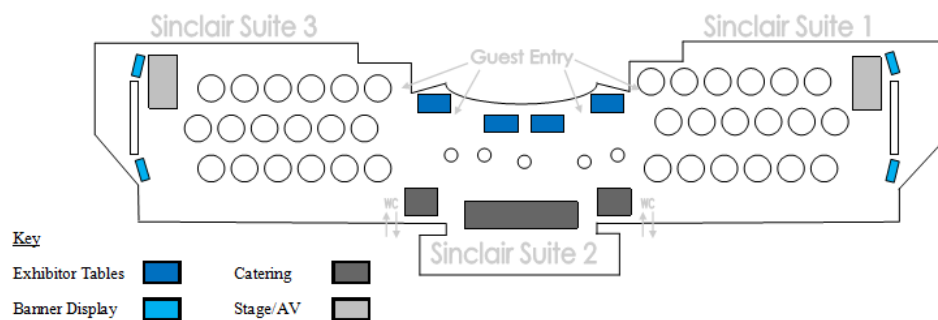

- Patroklos Papapetrou (Speaker)

OUR VENUE

SwanseaCon 2016 will be held at the Liberty Stadium, Swansea.

The Liberty Stadium is the premier venue for conference and events in South West Wales, and is also home to Wales' only Premier League team, Swansea City Football Club, as well as the regional rugby team, the Ospreys.

The conference will be held in the Sinclair Suite, partitioned to form two speaker halls leading off a central vestibule area which will contain prime exhibition space for our gold and platinum sponsors.

EXHIBITOR SPACE

Several levels of sponsorship include an exhibitor stand space.

These spaces will be close to conference registration and refreshment areas to allow participants easy access to sponsor stands.

We will provide a cloth covered table and power extension for each exhibitor space.

FOR MORE INFORMATION ON
EXHIBITOR SPACES, CONTACT
